Descriptions:

A full service electrical contractor located servicing Edmonton and surrounding areas. At Stripped Electrical, we are more than just your local electricians. We're a team of dedicated professionals with a passion for lighting up lives and spaces. Our journey began with a simple idea: to provide our community with top-notch electrical services that are not only reliable and efficient but also delivered with a

commitment to excellence. We empower our clients by providing them with the electrical solutions they need to make their homes and businesses more comfortable, efficient, and secure. We're here to transform your space, one wire at a time.

Business Hours:

Monday to Friday 9am - 5pm

Saturday - Sunday Closed
